

CARDEN ACADEMY WITH APEX GYMNASTICS

# Gymnastics Program

Gymnastics offers a great foundation for children, as it helps to develop motor skills, self-discipline and self-confidence. Apex Gymnastics of Almaden, located on the same campus as Carden Academy, is a fully equipped gymnastics school designed for children from 12 months through high school. We offer toddler, pre-school, recreational and pre-team development programs. Founder and Coach, Tatyana Pantelus, has dedicated herself to developing the full potential of her students, including 3 Olympic gymnasts. Coach Olga also has an impressive track record with more than 8yrs of experience coaching USGA gymnasts. Though they have great competitive experience, maintaining a positive learning environment is their number one goal. Encouragement and fun are combined with professional training to ensure that all students achieve their very best. [Apex Gymnastics has an after school program for Carden Academy.](#)
